Aiming High - Edexcel (Pearson) A-Level Drama

A knowledge-boosting and supportive webinar for teachers who have been teaching the course for less than three years or want to improve results.

ABOUT THE COURSE

Delivered through one two-hour high-impact live webinar, this course is designed for teachers who might be relatively new to teaching this specification. Teachers are also welcome to join if they are keen to learn new strategies for planning and delivering the course within their context, so that their students fully engage with the course and achieve outstanding results.

This is a small-group, interactive session, delivered on Zoom, in which participants will have time to discuss curriculum models and learn a range of teaching strategies for raising standards in both the practical and written aspects of the course.

COURSE OBJECTIVES

By the end of the course, participants will:

- Know the demands of each component.
- Understand the course and know how to plan, to achieve high grades.
- Have learnt a range of tried and tested teaching strategies for raising standards.

In addition, teachers will have the opportunity to collaborate and connect with other teachers through discussion & sharing.
