

The Drama Teacher Masterplan 2026

Course Guide

A structured pathway to curriculum clarity and confidence

The Drama Teacher Masterplan Online Course is a carefully sequenced professional development programme designed to support drama teachers in reviewing, **refining and confidently implementing their curriculum**. This is not a series of standalone sessions. It is a **joined-up curriculum journey**, where each stage builds towards helping you create a **clear, coherent and practical curriculum you can use from September**.

Course Outcomes

By the end of the course, you will:

- Clarify your curriculum intent and structure
- Strengthen planning and assessment at KS3 and beyond
- Embed oracy meaningfully within your teaching
- Develop confidence in curriculum leadership
- Prepare fully for a strong September start

By the end, you will have a **working curriculum model** - not just ideas or notes.

Who This Is For

- Drama teachers refining or rebuilding KS3 curriculum
- Heads of Drama leading curriculum development
- Teachers seeking clarity in planning and sequencing
- Non-specialists teaching drama who want structure and confidence
