# SHOEBOX THEATRE

**TUESDAY 25TH APRIL- 4-5PM ON ZOOM**  
**COST- FREE**

Learn how to create a set model box with minimal resources  
We'd love you to join us for a FREE Webinar- Shoebox Theatre! The webinar will focus on creating a set model box with your students. This can be an amazing project to deliver across Key Stages 2-5! (Ages 8-18) With just a few simple resources, design and build a set model box, which can be adapted for any play text or set design. The webinar will focus on the importance of scale when designing and creating a set model box with your students. It is totally free and includes a resource pack with scale templates to use immediately in the classroom or drama studio.

Join us for the live event or watch the webinar replay for 30 days after the live event. Led by set & costume designer Sam Beal.

*"Fantastic quality of speakers and resources, and unbelievable that there are so many sessions offered for free, when they're worth as much as any CPD I've been on."*
